

BENEFITS AT A GLANCE

For clients

What happens if one of the participants dies shortly before the trip? Or the airport cannot be reached on time due to mechanical breakdown? Or the flight is canceled due to bad weather conditions?

The benefits of incentive insurance naturally include coverage for these calamities, but we would like to list the benefits with some additional examples:

Coverage in case of cancellation or relocation, postponement due to:

- Death of one of the travelers (if chosen for option non-appearance)
- Government intervention, as a result the trip can no longer continue, for example by closing the airport
- Serious damage to the business premises, which makes personal presence urgently necessary
- Insolvency

Replacement transport coverage:

- Flight, train or bus cancellations due to extreme weather
- Missed flight due to traffic jam, breakdown or train disruption
- Changes in the carrier's itinerary
- Transport is missed due to an unexpected strike

Replacement accommodation cover:

- Unavailability of the location due to, for example, fire, flood or overbooking, which leads to financial damage
- Necessary extra overnight stays in case of return journey delay due to the above-mentioned calamities for alternative transport

Additional insurances:

- Personal travel/cancellation insurance
- Accident insurance
- Liability insurance
- Terrorism/war
- National mourning
- Piety

Subject to the applicable exclusions, such as, but not limited to, bankruptcy of the CLC VECTA member. All consequential damages relating to epidemics/pandemics are also excluded.
